Data sheet: WL-601

Product code : WL-601
Product name : Wireless Network ADSL 2+ Modem Router 54g
EAN code : 8716502019694

Simply connect this ADSL 2+ Modem Router to your ADSL line, and right away you'll have a base station for an entire wireless home network, as well as being able to take maximum advantage of the benefits of broad-band Internet via ADSL. The Modem Router has a built-in ADSL 2+ modem, so you'll already be fully prepared for the newest developments in the world of Internet. The Router function enables all the users in your network to access the Internet through 1 subscription. You needn't be worried about the communication speed across your wireless network; the Modem Router works according to the 802.11g standard, and guarantees you an actual throughput rate of a staggering 24 Mbps.
